

CAPABILITY STATEMENT

DENNIS EDUCATIONAL CONSULTANT SERVICES (DECS LLC)

Delivers premier, compliance-ready educational support services designed to build organizational capacity and maximize community impact. Leveraging extensive expertise in institutional curriculum development and adult education training, we engineer customized learning frameworks that address specialized workforce readiness, business development, and transitional life skills. Our core advisory strength lies in advanced consulting and technical grant acquisition, empowering clients to navigate complex government contracting systems. By blending rigorous educational design with strategic funding procurement, DECS LLC transforms community development initiatives into sustainable, high-impact models of civic growth.

CORE COMPETENCIES

- **Educational Support Services & Custom Curriculum Architecture:** We design and implement structured academic, independent study, and homeschool frameworks tailored for diverse and non-traditional student populations.
- **Institutional Training & Workforce Development:** We deliver comprehensive adult education, corporate capacity building, and vocational life-skills training engineered to maximize job readiness and economic mobility.
- **Grant Procurement & Public Contract Administration:** We provide end-to-end management of complex public funding lifecycles, specializing in competitive proposal writing for federal, state, and municipal contracts.
- **Regulatory Compliance & Audit Monitoring:** We enforce strict structural oversight and reporting compliance for highly regulated projects, including Davis-Bacon Prevailing Wage auditing and NEPA/CEQA environmental reviews.

DIFFERENTIATORS

- **Dual-Entity Strategic Synergy:** We uniquely bridge the gap between public policy and grassroots execution by combining the corporate procurement capabilities of DECS, LLC with the immediate, community-facing agility of our non-profit arm.
- **Flagship Educational Partnerships:** Our established alliance with Scale Leadership Academy provides an active, proven model for deploying specialized independent study and homeschool curriculums across the High Desert region.
- **Intersectional Grant Expertise:** We possess a rare specialization in securing and managing "intersection" funding pools that cross-cut educational support, adult workforce training, and criminal justice reentry systems.
- **Rigorous Regulatory Compliance:** We insulate our clients and partners from risk by providing specialized, built-in auditing capabilities for complex state and federal mandates, including Davis-Bacon Prevailing Wage and NEPA/CEQA compliance.
- **Localized High Desert Advocacy:** Our leadership operates with deep, localized demographic and municipal insights specific to San Bernardino County and the City of Adelanto, ensuring highly targeted project delivery.
